So Many Possibilities – So Much Room

If you are seeking a quiet small town lifestyle in a quaint river town, then you need to see this property. It will offer its new owner over 9600 square feet. Let your imagination develop this property into your dream business or business and home. Cave in Rock is located in Hardin County, Illinois on the Ohio River. The ferry at the end of Canal Street takes travelers across the Ohio River. Just across the river is the Amish country which features country stores, green houses and much more. This property could be an impressive bed and breakfast, event center and your home. There is ample parking on the adjacent lot which goes with this property. Too many rooms, bathrooms and multipurpose spaces to mention. You must see this property. Please speak to Listing Broker about non-compete clause.
