The Shawnee National Forest offers some of the best White Tail deer and turkey hunting in the Midwest. This 56 acre tract adjoins hundreds of acres of the Shawnee, with excellent road frontage. Water, electric and natural gas are available along the public road. It also adjoins Grand Pierre Creek. Grand Pierre Creek is a navigable creek and is excellent for canoeing and kayaking. It is a tributary and the Ohio river and reaches the river just north of Golconda, Illinois. This tract is perfect for any outdoor enthusiast. Call today for more details or to schedule your viewing of this tract.
