Homes like this do not come on the market every day! This is a must-see brick home on over 6 acres on exclusive Raum Park Drive in Golconda, Illinois. The main floor features a beautiful large family room with vaulted ceilings open to the dining area, expansive windows along with a roomy kitchen with tall upper cabinets creating a dramatic look and separate breakfast area. A split floor plan allows the immense master suite to be privately located on one end of the home while the other two guest rooms and bath are at the opposite end of the home. The laundry area is on the main floor just off of the two-car garage. There is a walk-out basement, which is mostly finished, with its own kitchen, family room and semi-private bedroom, bathroom, mechanical room and shop area.
